Meerkat process

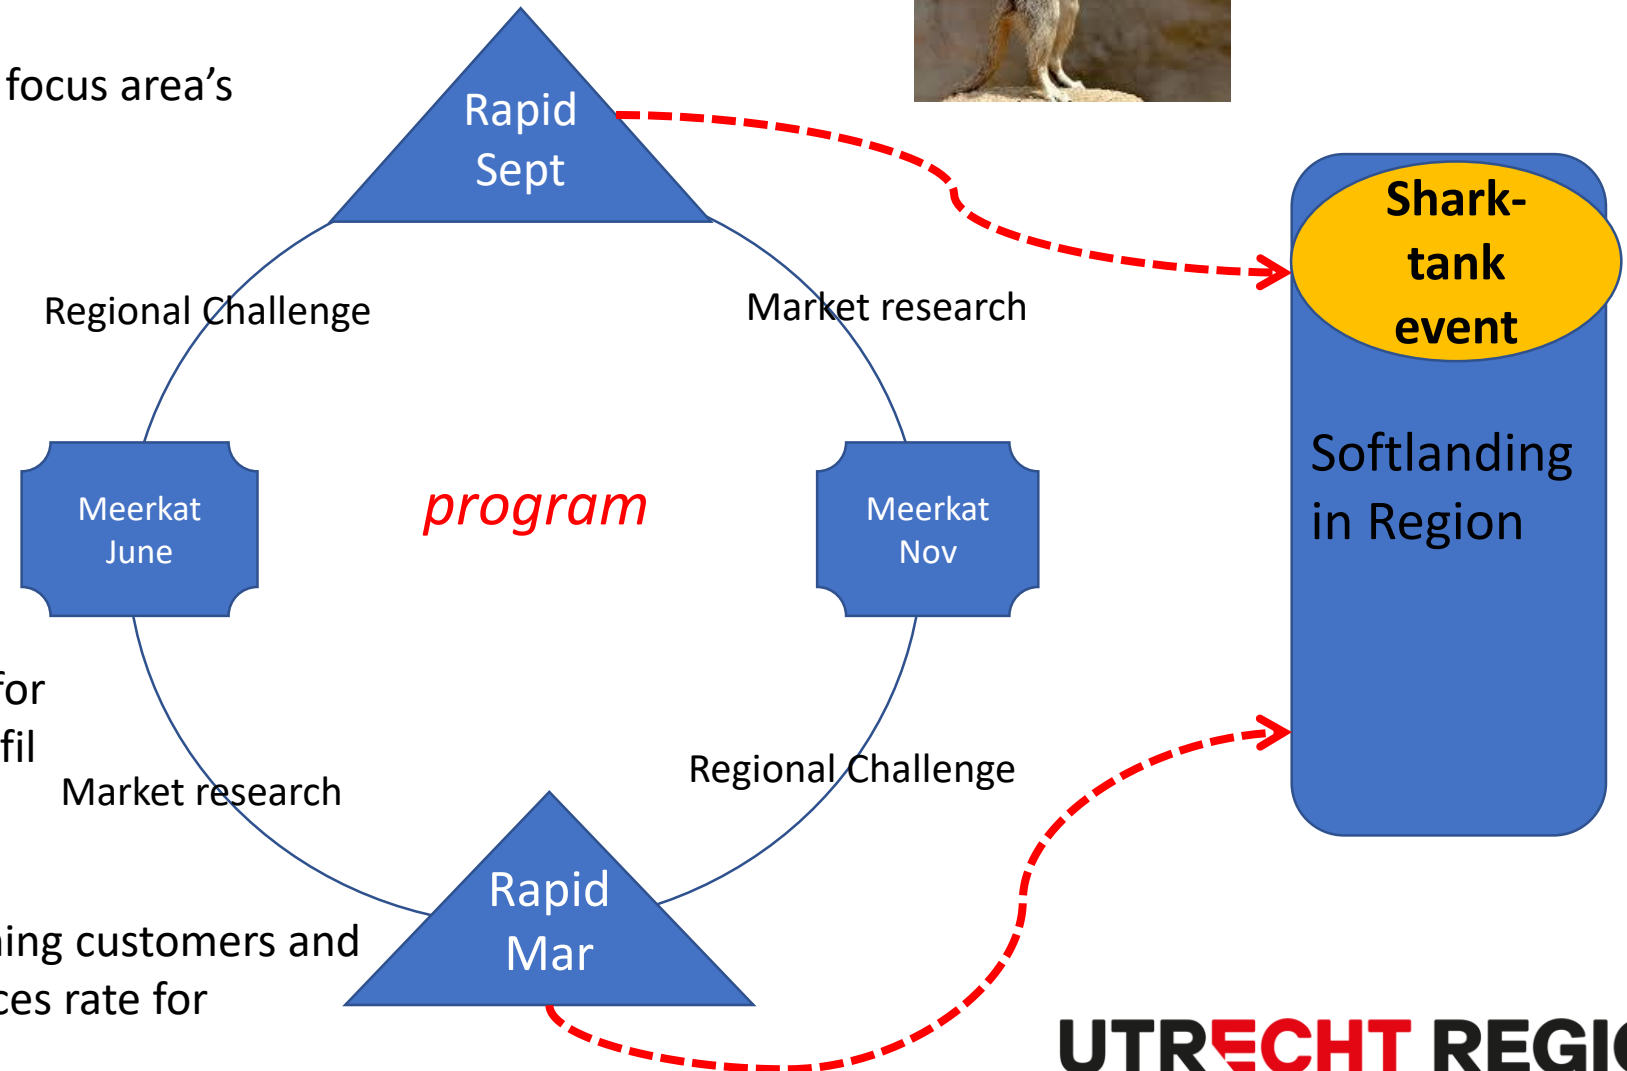

1. Regional research :
market Gap-analysis, unmet needs and focus area's

2. Meerkat Program: (Region-meets-region)
Looking back and looking forward on
cooperation and succes,
Prepare for challenge and meet
potential RAPID candidates and
supporting organisations.

3. Regional challenge :
startups/scale-ups are invited to apply for
RAPID with concept/POC/PMC's to full-fil
needs based on the market research

4. Rapid-Health: (region meets entrepreneurs)
1-month program for POC, meet launching customers and
prepare market entrance, Aim 30% succes rate for
softlanding
