

October- Utrecht - The Netherlands

HERTZ

StartupFest Health 2019

1-3 October, Utrecht

Ready to scale-up!

Motivate

Learn from success stories, spot opportunities and find ways to overcome obstacles. Listen to inspirational stories and talk to like minded people that can influence your growth.

Select the opportunities that fit your need and find out how to use them. Connect with ecosystems, accelerators and incubators

Target

Create

Create new partnerships, work with potential clients and hook-up with corporates and investors that want to scale-up with you. Create a new dealflow onsite!
