Taiwan Business Day

Utrecht 2016

Do you own or manage an innovative start-up, small or medium sized company, and are you considering opportunities abroad? Meet your potential business partners and support organizations for the Far East – during an intensive afternoon seminar.

Why Taiwan?

Taiwan is world leader in many innovative technologies and its companies continue to stay on top of new developments. Taiwan and The Netherlands have a lot in common, with a long trading history going back over 400 years. Taiwan has a western style legal system and has well developed support system for innovative companies also from abroad. The 'Maker infrastructure; from Fablab to Foundry' makes Taiwan a great place to go for technology and production partners.

Program

Taiwan Business Day is organised together with EBU and its Taiwanese counterpart IDIPC. The main objective of #TBD16 is for you to meet Taiwanese organizations, entrepreneurs and support organisations.
