# Taiwan Business Day

Utrecht 2017

Do you own or manage a creative or innovative start-up/scale-up or SME, and are you considering opportunities abroad? Meet your potential business partners and support organizations for the Far East – during an intensive afternoon seminar.

## Why Taiwan?

Taiwan is world leader in many innovative technologies and its companies continue to stay on top of new developments. Taiwan and The Netherlands have a lot in common, with a long trading history going back over 400 years. Both are internationally renowned as business gateway to their regions. Taiwan is on the 11th place of the global 'ease of doing business list' of the Worldbank. Taiwan is also growing as a soft-landing hub to access markets like Japan and China.

## Program

Taiwan Business Day 2017 is organised together with EBU . The main objective of #TBD17 is for you to meet Taiwanese organizations, entrepreneurs and support organisations and learn how Taiwan can become crucial for your success. The program includes a seminar to help you understand the Taiwanese opportunities and help you with your business expansion strategy.
